

Daigle Farm CSA Program 2024 Season

Daigle Farm is offering a fresh eats CSA program exclusively to the employees at Putnam Plastics for the second year in a row. CSA stands for Community Supported Agriculture and is a fun and creative way to get fresh food to the consumer. This year Daigle Farm is doing something a little bit different. We are running a 6 week program starting the end of August and ending the first of October (See dates below).

Your fresh eats box will be delivered to the Putnam Plastics Cafeteria every Tuesday from 2pm-3pm through the program's duration. You are responsible for making accommodations for your CSA share if you will not be present. Shares not picked up between those times will be placed in the PPC cafeteria refrigerators with your name on it.

The deadline for Daigle Farm CSA sign ups will be Wednesday May 1, 2024.

How it works:

Each weekly Daigle Farm share will be delivered to Putnam Plastics on Tuesdays during regular business hours from 2pm-3pm. Your box will include 4-6 of our seasonally harvested veggies and herbs. The following are some examples of what we grow on our farm and what you can expect to see in your boxes:

2024 CSA weekly Delivery dates as follows: Tuesdays

Cost Breakdown:

Cost for the CSA is as follows: (runs for 6 weeks; includes 4-6 seasonal veggies)
Pick-up at Putnam Plastics weekly = \$25.00 weekly which equates to a total of \$150.00 for the share program. Putnam Plastics is dedicated to the wellness of their employees and would like to offer \$5 off towards each weekly share for every employee's sign up (currently for the spring program only). This lowers your cost to \$20.00 per week. You must pay the total (\$120) for the CSA before or on the cut off date of **Wednesday May 1, 2024** if you are **NOT** doing payroll deduction. If you would like to do the payroll deduction or have any questions regarding payroll deduction please reach out to Renee Bennett at rebennett@putnamplastics.com or extension x241. Other acceptable payments include credit card, Venmo, check, or cash.

This program is a first come, first serve with limited spaces. If you have any food allergies or strong preferences, please let us know. It's your community support that keeps us Simply Growing Food and we appreciate your referrals. We look forward to another awesome growing season at Daigle Farm and the continued yearly CSA program at your company. If you have any more questions or **would like to sign up** you can reach out through our website at www.simplygrowingfood.com or through email at simplygrowingfood@gmail.com.

Wellness Payroll Deduction Authorization

For: Putnam Plastic Employees (excludes temp agency employees) Re:
CSA Program, Daigle Farm

I,
would like to participate in the CSA fresh eats program with Daigle Farm,
and have deductions taken out via payroll deduction. I understand that the
participation is for the full 6 weeks and understand that the deduction from
my pay will be \$20.00 per CSA harvest share. I also understand that if I
don't pick up my CSA harvest share, I will still be charged for the full 8
week duration.
